

Even **t**wins
have their own personalities.

There are two Oakwood Village campuses in Madison, each an offspring of Oakwood Lutheran Senior Ministries, which has served area seniors for more than 60 years. Each provides an enriching, comfortable and secure future for a diverse group of people who love life, friends and discovering new aspects of themselves. Like twins, these communities have much in common. But they are different. Before you make a retirement-living decision, visit and get to know both.
